A Graduate's Prayer

Father, I have knowledge, so will You show me now, how
to use it wisely and find a way somehow. To make the
world I live in a little better place, and make life with its
problems a little bit easier to face. Grant me faith and
courage and put purpose in my days, and show me how to
serve Thee in effective ways. So, my education, my
knowledge and my skill may find their true fulfilment as I
learn to do Thy will. And may I ever be aware in
everything I do, that knowledge comes from learning, and
wisdom comes from You.

Amen.

O Lord God

Thank you!

For life, with all its bewildering intensity and colour – it really is people, Lord who help me to see.

Without the challenge of their personalities; without their love and concern, the colour fades from my life – but today, of all days a monotonous day filled with greyness and little expectation of newness or life – today I talked with a friend, given to me by you; and we discussed shared experiences and sorrows of long ago. Our hearts grew warm with recollection and interest – and then, as I walked by the river, later, alone – and caught the night reflections, green silver and red, projected on the water by the lighted city at a distance, I was filled with love for you and for the gift of life.

Prayer for the Help of the Holy Spirit

Saint Anthony of Padua

O God, send forth your Holy Spirit into my heart that I may perceive, into my mind that I may remember, and into my soul that I may meditate. Inspire me to speak with piety, holiness, tenderness and mercy. Teach, guide and direct my thoughts and senses from beginning to end. May your grace ever help and correct me, and may I be strengthened now with wisdom from on high, for the sake of your infinite mercy. Amen.

Prayer

Jesus,

Light from light, true God from true God.

Bernadette told us: "I saw a small young lady enveloped in light who looked at me and smiled".

The light of your Immaculate Mother is the reflection of your light, You the conqueror of evil, sin and death! You, the Risen Christ! Today I place my candle in this burner.

Today or later, it will burn in your presence.

May it illuminate my joy, my gratitude, my thanksgiving, your forgiveness and your immense mercy. May it clear my doubts, extinguish my pain, my hurt, my suffering, my lost cause!

May the storms of life not extinguish the flame of love!

May I become like Him burning with love for You and for my brothers and sisters!

You, who live and reign for ever and ever. **Amen**

Our Lady of Lourdes, pray for us!

Saint Bernadette, pray for us!
