A Prayer of Optimism

Praise God for the memory of sunny, cloudless days,
For golden summer beaches on which to laze,
Praise him for tall trees and leafy bower,
for open, welcoming churches in the evening rush hour,
Praise him for being able to view a big championship game,
Though outside it rains heavily and troubles within flame,
Praise him for good music, books, films and hope that springs eternal, for love of county and country and spiritual blessings internal, may we use our talents well and love generously, if imperfectly and amid our financial woes find time to laugh infectiously **AMEN By Tom O'Mahony.**

IMPORTANT:

We are all only human. If an error/non-inclusion in relation to a Mass intention happens: **PLEASE** let the Sacristan know at the **BEGINNING** of the Mass and it can be rectified and the name/intention included in the remainder of the Mass.
It's more difficult to heal hurt if people go away leaving it unsaid. Thanks to you all for your huge understanding.

Volunteer Ministries in the Killaloe Diocese

Have you ever thought of enriching your faith or of equipping yourself to be able to give something to your parish or pastoral area? The Diocese of Killaloe is hoping to build on the success of our initial lay ministry training programme by offering training to those who feel called to give time as Catechist and as Ministers of Pastoral Care. It is hoped to begin journeying with those interested in the Autumn. These ministries will be of interest to those already involved in their parish or pastoral area or those wishing to be more involved in the life of their local Church community. This programme involves lay people working side by side with priests in key ministries in our parishes and pastoral areas.
Brochures are available in your parish or on the Diocesan Webpage. Further information and application forms can be found at https://www.killaloediocese.ie/our-diocese/lay-ministries/

Help us to be kind to others in our, thoughts, words and deeds. **Amen**

Roscrea Tidy Towns

This week we concentrated our work in the Glebe Park where weeds are a constant problem & the fact that some plants are coming to their end of life. New plantings will take place soon in this garden. We acknowledge the help we had from volunteers from Racket Hall and Corville House.
Over the bank holiday weekend, we must acknowledge the work by members of our Community Employment team with Tidy Towns volunteers in litter-picking the town centre.
Litter Fact: The Disposable Nappy
One of the great innovations of modern times, the disposable nappy can become another curse. Great to use, but if you dispose of them by throwing them away, you are not helping the environment. This type of nappy lasts for 450 years!
Thanks in advance for your help
