## A Prayer for Our Earth (Pope Francis)

All-powerful God, you are present in the whole universe and in the smallest of creatures.

You embrace with your tenderness all that exists.

Pour out upon us the power of your love,

that we protect life and beauty.

Fill us with peace, that we may live

as sisters and brothers, harming no one.

O God of the poor,

help us to rescue the abandoned and forgotten,

of this earth, so precious in your eyes.

Bring healing to our lives,

that we may protect the world and not prey on it,

that we may so beauty, not pollution and destruction.

Touch the hearts of those who look only for gain

at the expense of the Poor and the Earth.

Teach us to discover the worth of each thing,

to be filled with awe and contemplation,

to recognise that we are profoundly united

with every creature

as we journey towards your infinite light.

We thank you for being with us each day.

Encourage us, we pray, in our struggle

for justice, love and peace. **AMEN.**
