Dear Brothers and Sisters in Christ,

Thank you for coming to our daily Eucharist in St.
Cronan's Church. It is a privilege to serve you and
minister alongside you. It is a great privilege to bring
our loved ones Eucharist whether that is in the home or in
the car alongside our church. The Eucharist is the heart of
our Catholic Faith, and we must give to Jesus in the
Eucharist love and due respect. Covid has made us all
aware of protecting our vulnerable ones. Some concern
have been raised to us Priests and Pastoral Council in the
manner on how the Holy Eucharist is being transferred to
our loved ones. A pyx is the best way to do this. A pyx
protects everyone and maintains the integrity and dignity
of the Holy Eucharist. If you need a pyx to bring Holy
Communion to your loved one please approach either Fr
John or Fr Antun.

Thank you for your understanding on this matter.

**If anyone has a Pyx they are no longer using, can you
please return it to the Sacristy. Thank you.**

Prayer to Guardian Angel

Prayer for the Environment

God, Your Son Jesus of Nazareth took images from Plant and Animal life to teach us about your kingdom in heaven and His Mission of mercy in history. With the help of the Holy Spirit, who hovered over the cosmos at Creation, may we appreciate the beauty and diversity of nature, act temperately to protect the environment and to prudently preserve the resources of the earth, promoting peace and justice among peoples all over the world. May the intercessions of our Mother Mary and Mother of the Church, and inspiration of Saint Francis of Assisi, impel us to work together and work with all who wish for a cleaner and better world, for the common good and glory of our Creator God. Amen.

CE Scheme

I had my first meeting with Paddy Reidy and the VOLUNTARY Operations Committee this week past. I commend very highly all the work being done in town and in the surrounding parishes by CE Workers. All the Sponsors are so valuable and their generosity so appreciated. We are looking for more Sponsors to help keep the Scheme working to full potential. All the CE Workers are highly valued and we need more. Please volunteer. We can't emphasize enough of how beneficial working on a CE Scheme is for future employment and maybe a new career. The CE Scheme provides Education, Skills and Fun!

Thank You all for Caring for our Environment!

Fr. John.

One fervent Hail Mary with love and thought said
Is better than volumes of prayers poorly read,
If time and one's duties prevent a long prayer,
Just say one Hail Mary with fervor and care.
The "Golden Hail Mary" which from the heart Springs
The greatest of blessings from Mary it brings;
And we never will know till before Mary's throne
How that daily Hail Mary brought us to her home. AMEN.
