National Tidy Towns Adjudication Report

Your volunteers are so wonderful and we appreciate their help in the community. The 2500 hours roughly equates to 48 hours of work per week across the entire town, or the output of just about 1.2 full time workers for a whole year. In addition, it is proven to improve the health and happiness of volunteers.
We note the contribution of the Community Employment workers with another 4.000 hours which as you mention is invaluable. Great job everyone. The town has welcomed many international Protection Applicants and they are a great help also. Thank you for helping them feel involved, learn new skills and connect with their neighbourhood. Turas Nua workers and Farm Relief Services give a day back annually which is praiseworthy. The support of Tipperary County Council is a major advantage as they provide essential funding, professional guidance and practical resources to make town projects successful. We commend all the team for their continued support and sponsorship. Working with many different groups brings big positive changes to a town and we love seeing their names in print and we cannot thank them enough for all their hard work and donations. **To be continued next week.**

I give thanks to You, Saviour, redeemer, forgiver of my sins.
I give thanks to You who made the sun and rain.
I give thanks to You for new growth that rises from fertile land.
I give thanks to You for harvest of grain, for nourishing bread.
I give thanks to You for fruit and vegetables, full of goodness.
I give thanks to You for refreshing milk and eggs freshly laid.
I give thanks to You for hearty and healthy provision of meat and fish. I give thanks to You for all Your great bounty.
Surely, we taste Your goodness today with truly thankful hearts.
Amen
