'In November We Remember'
Bereavement & Remembrance Mass WEDNESDAY NOVEMBER 27th AT 7.30PM for our loved ones gone before us especially those who passed away in the last year. **(Please note change of day)**

Roscrea Tidy Towns we were delighted with the results this year. Another Bronze Medal joins the eight bronze we already have and our one silver medal totalling ten medals. The medals are awarded in Category E – for towns like Roscrea with a population from 5,001 - 10,000. Ballincollig won with 386 points, and as Roscrea was just 30 points behind, we were awarded bronze. We never know how many points are needed each year to get a medal, we can only work as hard as possible and hope that we have done enough to get an award. The adjudicator's report highlights items that we have done and work we need to do. Roscrea Tidy Towns will take measures to implement the points highlighted for improvement. An increase in our marks by seven points is most welcome, but most important is the fact that in all the different categories of the competition, we didn't lose a mark in any of them. There is a lot of room for improvement, so why not join a hard-working and winning team? Copies of the report can be sourced here: https://tidytowns.s3.eu-west-1.amazonaws.com/u_reports/2024/tipperary-north/2024-Tipperary-North-Roscrea-622.pdf

My favourite extract from the Judges Report for Roscrea in this Years National Tidy Towns Competition:
"Well done! We saw that 40 helpers were out clearing weeds with your volunteers in April. Fantastic that you have such great numbers on your team Volunteering, particularly the active engagement with the IPA Group. It is such a helpful way for them to integrate into your community and to get to know your members. We would agree with the Roscrea Town Team you are obviously very hard working and are a credit to Roscrea…A stroll through Roscrea is a journey of delight…so many of the Town Residents have widow boxes, colourful containers and very well-maintained gardens throughout Roscrea"
Congratulations Roscrea Tidy Towns Committee. Well done! Keep up the great work in Caring for the Environment of Roscrea and for making us all aware of how much more we need to do. **Fr. John**

November Prayer of Remembrance

Honour the wisdom of those who went before you. Bind it ever to your heart Tie it around your neck. When you walk, it will lead you, when you lie down, it will watch over you, when you wake, it will talk to you! (Proverbs 6:20-22)
During this month as we recall with love the memories of dear ones who have gone before us. We ask our living God to grace us with an awareness of how blessed we are. Blessed with their wisdom that guided us. Blessed with their courage that lifted us. Blessed with their generosity that filled us. Blessed with their love that formed us. Gracious God may we in turn not be slow to share the blessings we have received. May we live confidently trusting that in your life is changed and never taken away. We make this prayer through Christ our Lord. **Amen**
