## A Mother's Love

*A mothers love is something that no-one can explain.  
It is made of deep devotion and of sacrifice and pain.  
It is endless and unselfish and enduring come what may,  
For nothing can destroy it or take that love away...  
It is patient and forgiving when all others are forsaking,  
And it never fails or falters  
Even though the heart is breaking...  
It believes beyond believing  
When the world around condemns,  
And it glows with all the beauty  
Of the rarest, brightest gems...  
It is far beyond defining, it defies all explanation,  
And it still remains a secret  
Like the mysteries of creation...  
A many splendoured miracle man cannot understand  
And another wondrous evidence  
Of God's tender guiding hand.*

Wishing all the mothers in our parishes a happy and relaxing Mothers Day! We remember too the mothers who are no longer with us in body, but remain with us in spirit & in the precious memories they leave behind.

## Your mother is always with you...

*She's the whisper of the leaves as you walk down the street, she's the smell of certain foods you remember.  
She's the place you came from, your first home...  
She's your first friend, even your first enemy!  
Nothing separates you, not time or space or even death*
