October is Mission Month

This year's theme, 'Together we are mission" invites us to move away from thinking that it is others who have a mission and to consider the part we ourselves play. We are asked to consider how we might pray for and help those who devote their lives to spreading the gospel often in the poorer parts of the world and those most neglected. For more information go to www.wmi.ie . Next Sunday we will celebrate World Mission Sunday when every parish throughout the world gives what it can to support overseas missionaries who live and work in some of the world's most impoverished communities. Please use envelope from annual supply to support this collection for the missions.
