Happy New Year

As we begin 2018, we wish you and your loved ones God's blessing for the year ahead. This will be a very special year for the Irish Catholic Church, as the World Meeting of Families will receive individuals and families from all around the world for this international festival of faith in Dublin.

Pope Francis will be among the visitors to these shores. We hope this special time will bring a renewal of faith to our land and will bring many blessings to us all.

At this time, we take this opportunity to thank all those people who were involved in preparing our churches & liturgies throughout our three parishes for the Season of Christmas. Many people gave abundantly of their time, energy, gifts & talents in preparation for the celebration of the Birth of Jesus, and this generosity was very clear in each of our wonderful celebrations.

Once again, we thank each and every one of you for your continued generosity and support, not just in your financial contributions, but also in the time, service and commitment of so many people at parish level.

A very happy and peace-filled year is wished to you all!

Blessing For a New Year

Lord, may everything I do this day

Begin with your blessing & continue with your help.

May everything I say this day

Begin with your peace & continue with your grace.

May everything I plan this day

Begin with your inspiration & continue with your love,

So that throughout my life all that I begin in you

May by you be happily ended,

All that I fail to do may be mercifully mended and

All that I hope in you may by you be lovingly tended. Amen.
